Continued From Page Four.

primary must be known to have voted the Democratic ticket continuously since 1876."

We see that the Rev. J. W. Reeves of Leesville, a Baptist preacher, still holds on to a church near Blythewood. A poor unworthy creature of the "annanias band."

We see that the Rev. Dr. Johnson who conducted a Bible Institute here a few weeks ago, said that the Baptist laymen in South Carolina are lagging behind the laymen of every other State. Laymen, how long must this reflection be?

We see that March 16th, is Founder's Day for Benedict College and great crowds will witness interesting features—all day long.

We see that the democrats of the "Solid South" are closing up every conceivable gap against the Negro and the Republican party is doing very little more for him.

We see that the women of the Republican party need to organize more Republican clubs and continue the work until every eligible to register is registered.

We see that representatives in Mississippi would colonize the American Negro in Africa—poor fools.

## WALKING ABOUT ZION.

Notes by the Wayside.

By Rev. Richard Carroll.

Last Sunday I preached lectured or talked at Harbison College, Irmo, of which Rev. Dr. W. M. Young, is president. I was invited to the institution by Prof. R. W. Boulware. When I arrived at the institution Dr. Young was preaching on the subject, "He cares for you." He is a polished speaker and a thoughtful, dignified Christian gentleman. Harbison College is blessed with an able faculty; and I guess it is the cheapest college for students in South Carolina. A young Baptist divine met me at the station who has selected Harbison for his educational foundation. Prof. Boulware's wife prepared dinner for me, he is Dr. Young's right hand man, they have two interesting boys. The boll weevil "done ate up where he is gwine," he cleared only eight dollars on his farm, but Mrs. Boulware is patient, they have plenty to eat and a good winter garden which is the sign of a real man.

There is no quarrel between the theology of the Baptist and Presbyterian churches. The education at Harbison College is thorough and men educated at such institutions hold their own anywhere, they are first cousin to the Baptist.

Rev. R. M. Myers, D. D., 17th, Anniversary at Second Nazareth Baptist Church.

Sunday night amid the sprinkling from above I went as programmed to Second Nazareth Baptist Church, Dr. Myers is celebrating his 17th Anniversary as pastor of this congregation. He started in "this swamp" surrounded by reptiles of all kinds, he now has a splendid house of worship surrounded by excellent homes. Rev. Myers has had fights and much church dissension but he has come out on top and he is King or Master of this once desert spot, he impresses one of the fact that he is King or Lord in this church.

Both of the Myers brothers are interesting messengers of Jesus Christ and for some time I have been personally interested in them. Dr. J. C. White preached for Rev. R. M. Myers Sunday afternoon to a crowded house; Dr. H. M. Moore and his congregation will have charge tonight. Good collections have been raised, his heart has been made to feel glad. While you preach he cheers you, sets "your gospel dogs on," of course he wears "a chip on his shoulder everywhere he goes." The church is excellently located and has done good.

Dr. M. A. Talley, Executive Secretary of the National Race Congress, headquarters in Washington, D. C., is in the city. His headquarters is at the home of Rev. and Mrs. N. S. Shelton. He is also spending sometime in Kendalltown with Rev. and Mrs. Richard Carroll.

## LENTEN SERVICES AT ST LUKE'S.

A Visitation by the Bishop, The Rt. Rev. Wm. A. Guerry, D. D., for Ordination and Confirmation, March 10th, P. M. Confirmation.

Friday Morning at 11:00 A. M. Ordination Service—7:30 The Lenten (or revival) season of the Episcopal Church, began with Ash Wednesday, Mar. 1st, and lasts for 40 days and forty nights in the wilderness. So the church calls to all Christians to turn away from worldly pleasure and abstain from unnecessary foods as luxuries especially on Wednesdays and Fridays for by this method it is felt that the body can more readily be brought in subjection to the spirit and through self examination and our own besetting sins discovered and by prayer and fasting made strong to root them out of our natures so when the season ends we can enter with greater joy into the Eastertide of our risen Lord having tasted some of the sufferings which this season of the church's year brings more vividly to the mind of its members than any other time of the year.

There will be services on Wednesday and Friday nights at 7:30 o'clock during Lent with special sermons by visiting clergy on Friday nights.

On Friday morning, March the 10th, at eleven o'clock the Ordination of Mr. Josiah Thomas will be held at St. Luke's. This will be the first Ordination to be held at St. Luke's and we are most anxious that it shall be largely attended by the public, to whom we extend a most cordial invitation. The Bishop of the diocese the Rt. Rev. Wm. D. Guerry, D. D., will preach the Ordination sermon and the Bishop as a preacher needs no introduction to the people of Columbia. On Friday night will have the opportunity of hearing the Bishop, and too of witnessing these very inspiring services of Confirmation and Ordination.

We extend to all a hearty welcome at all times to come and worship at St. Luke's.

R. N. Perry, Rector.

## BETHEL NOTES.

Editor of The Recorder:

The city in general and Bethel in particular are indeed grateful to Dr. Wiseman for securing the services of Sister Lena Mason, who is now conducting one of the greatest revivals in the history of our city. She began her "drive" after sinners and those out of the church for various reasons on the 12th, of Feb. Up to date she has brought into the fold over 150. Each service standing room is at a premium. When one sees the great crowds coming from Bethel each night and realize that this throng is not seeking earthly pleasure, but the salvation of souls it causes new courage to spring into the breasts of those who are trying to follow the footsteps of Him who long since left the straight and narrow path as our guide.

Sister Mason is indeed a wonderful preacher; full of practical experience, and abounding with witticisms and philosophy. She drives each point directly into the memory of her hearers. Be it known also that she is an international character of the highest repute. May she live long to carry out such wonderful work is the prayer of every one who comes under the sound of her voice.
